

## New Life: New Lifestyle

**Goals:** The impact of being in relationship to Christ is a new life, new attitudes, new values, new behaviors. The claim to know and live in Christ will be proven out in a lifestyle that reflects Christ. (To learn and celebrate what God does in our lives.)

### Openers

- Have you known people who have made a major change in their lifestyle. Any idea why they made this change?
- What are some of attitudes that you have seen changed after you or someone you know became a Christian? Why might they have changed?

### Scripture:

- **2 Corinthians 5:17 (NIV)**  
Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!
- **Colossians 3:5-10 (NIV)**  
“Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry. Because of these, the wrath of God is coming. You used to walk in these ways, in the life you once lived. But now you must also rid yourselves of all such things as these: anger, rage, malice, slander, and filthy language from your lips. Do not lie to each other, since you have taken off your old self with its practices and have put on the new self, which is being renewed in knowledge in the image of its Creator.
- **Colossians 3:12 (NIV)** - Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.
