##### **D Group Discussion Questions:**

Which of the following characteristics of the early church: (devoted to apostle's teaching, to worship/prayer, to fellowship, to seeing the mission expand) do you find most engaging in your life currently? Which do you find most challenging? What are step you could take to lean more fully into this area of challenge?

When you think about your core in light of the main components of a core (worship/prayer, study of Scripture, sharing life, mission/service) which component/s do you feel your core is strong in? Which one/s do you think the core needs to grow in? How could you help that to happen?

If you have time—pray for our cores (your core) to resemble the early church in Acts 2:42-47

**Homework:** (1) Read Acts 1-4.
